1. Langkah pertama membuat akun GitHub

Screenshot beserta Notepad

The screenshot shows the GitHub sign-up page in a web browser. The browser's address bar displays the URL: `github.com/signup?source=form-home-signup&user_email=imamhannani75%40gmail.com`. The page title is "Sign up for GitHub · GitHub".

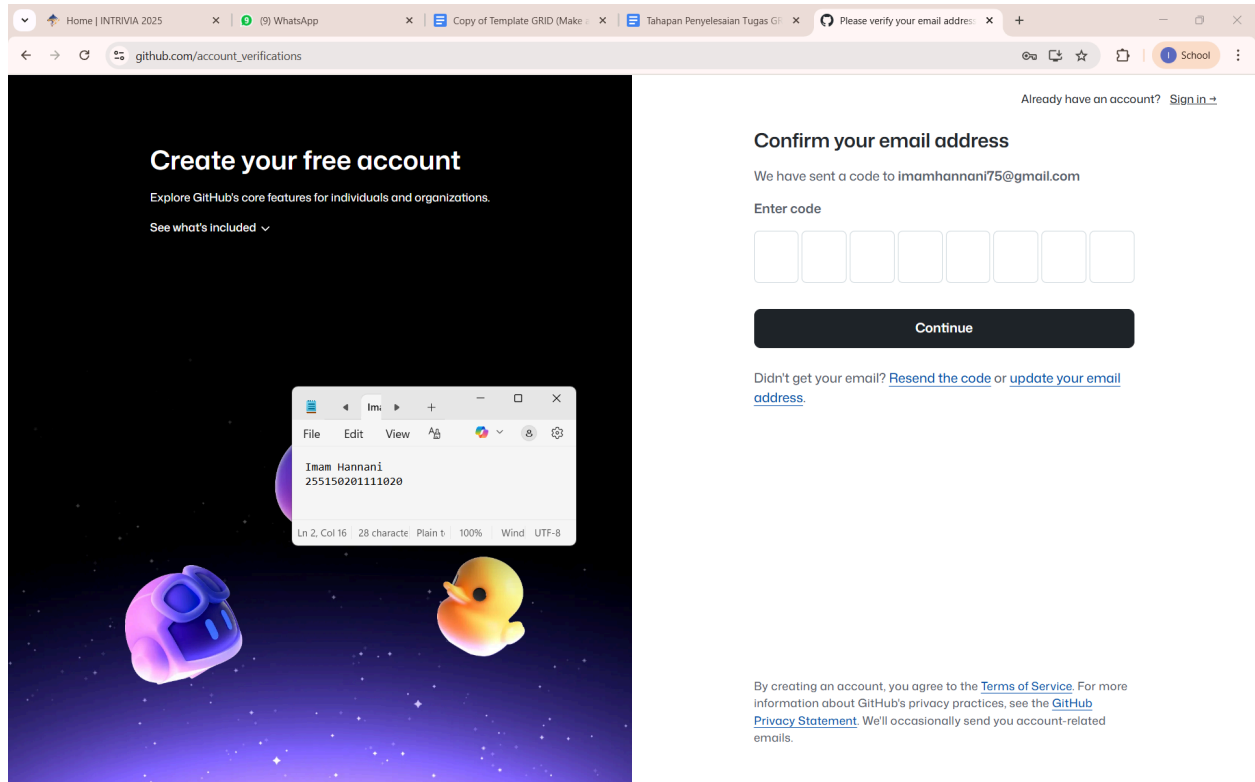

On the left side of the page, there is a dark-themed section titled "Create your free account" with the subtitle "Explore GitHub's core features for individuals and organizations." and a link "See what's included". Below this, there is a Notepad window with the following text:

```

```

The Notepad window's status bar shows "Ln 2, Col 16 | 28 character | Plain t | 100% | Wind | UTF-8".

On the right side of the page, the "Sign up for GitHub" form is visible. It includes the following fields and options:

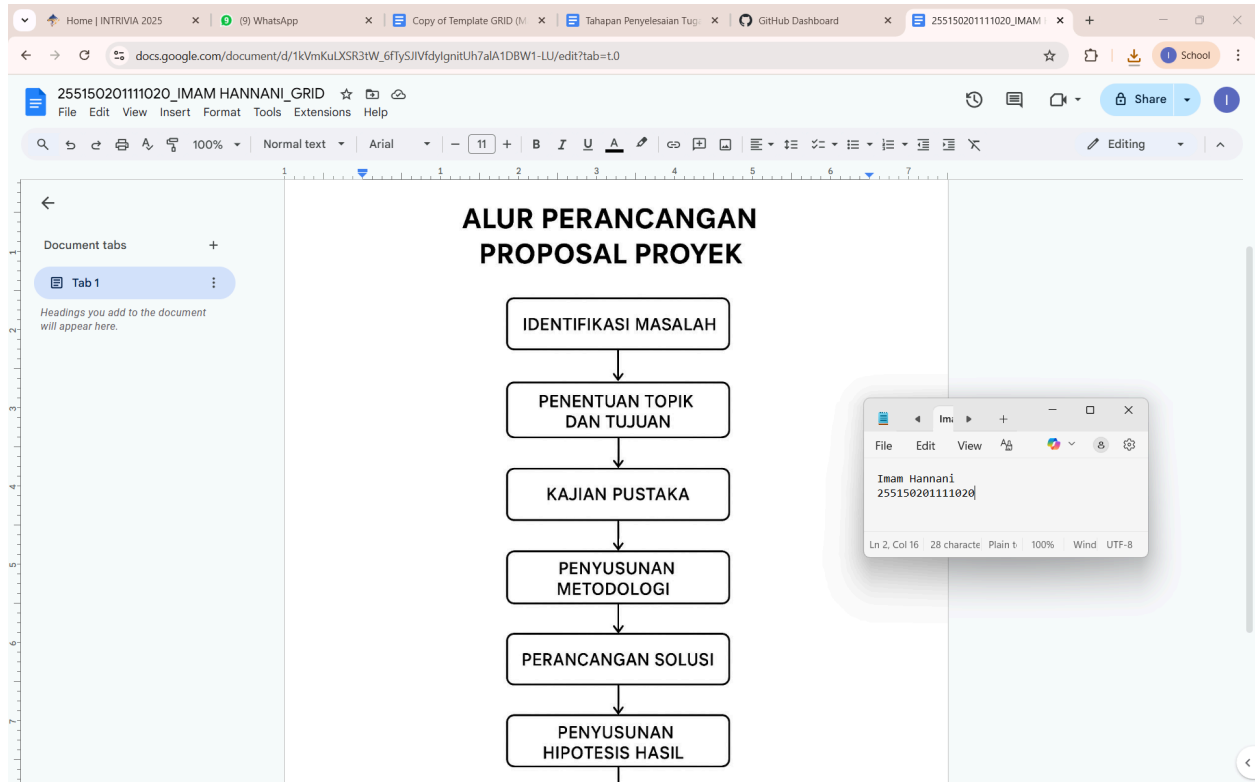

- Buttons: "Continue with Google" and "Continue with Apple".
- Text: "or".
- Form fields: "Email" (filled with `imamhannani75@gmail.com`), "Password" (masked with dots), "Username" (filled with `Han4npag`), and "Your Country/Region" (set to "Indonesia").
- Form validation: Green checkmarks are visible next to the Email, Password, and Username fields.
- Form instructions: "Password should be at least 15 characters OR at least 8 characters including a number and a lowercase letter." and "Username may only contain alphanumeric characters or single hyphens, and cannot begin or end with a hyphen."
- Form options: "Email preferences" section with a checkbox "Receive occasional product updates and announcements" (unchecked).
- Form button: "Create account >".
- Form footer: "By creating an account, you agree to the [Terms of Service](#). For more information about GitHub's privacy practices, see the [GitHub Privacy Statement](#). We'll
